Monthly Program Discs

The following are the **extra** items on each of the monthly program discs, i.e. in **addition** to the programs from the magazine itself.

- 1: Help with View
- 6: RS423 patch (version 1.24)
- 7: RS423 patch (version 1.24), FastRM updated, Mandelbrot screens, Life update.
- 8: Tunes for Music Editor
- 9: Telephone number database
- 10: 1WPlus printer drivers (Canon and Kaga-Taxan), Mode conversion programs, New Mandelbrot program.
- 11: Desktop accessories, more First Word Plus printer drivers (Citizen 120 and Kaga-Taxan), Partial renumber program, ARC file compression program, hard-disc boot program, more screen shots.
- 12: Hard disc downloader, First Word Plus printer driver (Star Gemini 10X1), Screenshots from Alerion and Gammplot, 50 frame animation - "The Gig"
